INTERESTS

- Cinema: I am a cinephile, which prompted me to participate in various festivals, in particular the JCC Festival or the Cannes Film Festival in its 70th edition.
- Travel enthusiast: as soon as the opportunity arises, I go on a trip, in order to open up to new horizons.
- Writing: I enjoy writing poems and texts when I'm inspired.

PROFILE

Having an IT background (graduate studies) and being very motivated to constantly develop my skills and evolve professionally, I've chosen to deepen my development skills in Holberton Institute. Actually, I have a bachelor degree in Computing, a Master in Finance and now, I'm finishing my second year of FullStack Web speciality in Holberton Institute.
